

As part of our commitment to continuous improvement of the Community Centre and its surrounds we have some ongoing projects to complete over the summer.

Small Hall

Our Small Hall is to undergo a complete refurbishment with new flooring, new ceiling, new lighting and a complete redecoration. The work also includes the installation of new partitions which, when opened, will create a mirrored wall that will enhance activities such as dance and exercise classes.

Work is planned to take place during the Summer school holidays as this is our quietest period for bookings. However we understand that this may still cause some inconvenience and we hope that for most groups we can offer alternative rooms and you will all think it worthwhile when you see the completed project.

The plan is that Small Hall will be out of service from 27th July for two weeks.

Loading Bay

You may have noticed that work is underway to rebuild the old loading bay at the rear of the Centre which was in a state of disrepair. This has been an eyesore for many years and was the cause of some safety concerns. The improvements will make the area much more presentable for users of the side car park and local residents who overlook the area.

The Centre Bar

The Centre Bar by the Main Hall is to have new flooring put in at the beginning of August and a voluntary team will clear the space on Sunday 5th August. If you'd like to help, please get in touch.

Thanks, as ever, to the group of tireless volunteers who are working together to make these improvements happen.

AGM NEWS

At the AGM of FCA on Wednesday 27th June, **Roger Williams** stepped down as Chair of the association after four years 'hard labour'.

Roger was instrumental in pushing through a number of successful projects at The Centre, including the Door2Door improvements, and managing the repairs to the roof after Storm Doris.

Thank you Roger, and Jean, for the many, many hours you have donated and we hope you have more time to relax.

So who's who on the new FCA management team?

Chair - Graham Reeves
Vice Chair - Jan Brown
Treasurer - Christine Reeves

The positions of Secretary and Minute Secretary were not filled following the retirement of Dot Lawless and Elaine Prisk.

Representatives from The FCA's Council - Ken Farran, Sue Thomson, Jean Littler, Sam Williams, Beryl Dobson, Dot Lawless, Phil Dean.

Sub Committee Chairs- Lindsay McGregor, Dave Thomas and Jenny Honeyford.

Panto Group - Ray Hughes

The next FCA Council Meeting is on Wednesday 24th October.

Following months of form filling FCA has been registered, with the same aims and objectives, as a CIO (Charitable Incorporated Organisation) and will have a new charity number.

However there are a few more procedural things to be completed as well as consultation with the FCA membership and Frodsham Town Council.

Many Thanks to the Trustees, Christine and Sam who, with other members guided us through the process so efficiently.

Congratulations to our Golden Couple

Berit and John Beech celebrated their Golden Wedding anniversary with friends and family at The Centre, Frodsham on Sunday 23rd June.

Both Berit and John have supported the Centre over the years and found it an

ideal place to pursue some of their interests and hobbies as well as meet new people when they first arrived in Frodsham, and an ideal place to share their celebrations.

Berit looked after 'the House' for a few years and is still involved with Patchwork Groups and you may see John behind the bar at Music & Arts events.

What a Day!
Well done.

200 Club News

The annual, quarterly and monthly draws of the 200 Club took place at the AGM and the Winners are.....
