Dear Resident

July 2015

## RESIDENTS OF ROADS NEAR TO CHURCHFIELDS PLAY AREA

You will be aware that the Council has for some time now been planning the improvement of play facilities on Churchfields. You may also be aware that in recent months we have been able to assemble enough funding to carry out a good part of the planned work. This will not be all that was initially discussed, but will be enough to make Churchfields a more pleasant and interesting place for children to play and for adults to enjoy.

This letter is to let you know formally that work is to begin on **20 JULY**. It will take six weeks, and is planned to finish on **28 AUGUST**. Some disruption to local residents will be inevitable during this period I am afraid, but we are working with the contractors and project managers to keep this to a minimum.

Work will take place between the hours of **8AM and 5PM, Monday to Friday ONLY**. The area will be fenced off during the work, to ensure safety. The access point from Church Entry will be closed, but the majority of the site will remain open throughout, and rights of way over the site will not be affected. The PCSO has been informed of arrangements – if you see any suspicious activity around the site please do tell the police – the usual number, **101**.

One other area where we would ask your help is in allowing access to works traffic to site. The roads can as we know be busy. We would ask residents during this period to please not park in such a way that access by lorries to the site will be prevented (they plan to access the site via the entrance at the junction of Froda Avenue and Churchfield Road).

We have previously circulated plans for the new play area, but we will place these again on notice boards and on the website and Facebook pages, to remind you of what is planned.

Thank you in anticipation of your help while we improve this key facility for Frodsham. Please do not hesitate to contact the office if you would like to know more.

**Jon Wild**
