On the 16th January 2016 local Cheshire Police officers carried out a driver engagement day in Frodsham (Fluin Lane), Helsby (A56 Chester Road) and Sutton Weaver (A56). Officers were monitoring the speed of motorists whilst also looking for offences such as driving without a seat belt fastened, using a mobile phone when driving and misuse of fog lights.

The day was a success and a number of motorists were stopped for speeding and other motoring offences and one car was seized for driving with no insurance.

The day was designed to help make the roads in these areas safer for all. We are planning more of these days in the near future.
