

## Calling All FCA Council Representatives.

i.e. a representative of your group if you meet regularly at Frodsham Community Centre.

**There is to be a meeting of the FCA Council on  
Wednesday 24th February at 7.30pm**

Tea and Coffee will be served beforehand.

Do come along and see how the Centre is operated and have your say.

**Frodsham Music and Arts Club** is delighted to accept from local firm Hurst Joinery Limited the gift of a purpose made conductor's rostrum, also available on request to affiliated groups at the Centre.

Started in 1943, the Club is one of the longest established and most successful organisations of its type in the region, offering entertainment for the culturally minded. The annual fee of just £15 gives admittance to nine monthly events consisting of orchestral and chamber music, instrumental and vocal recitals, choral music, jazz, and art presentations.

Membership stands at over 250, and new members are always welcome. Outings to concerts, opera and ballet, together with music holidays at home and abroad, are also organised in association with the Club.
