There will be 121 PCSOs who will provide dedicated service to individual CWAC wards. Frodsham will maintain the current PCSO at no cost. If FTC decided it needed additional PCSO support it could pay, either individually or together with other parishes, £33,000 per year per additional PCSO. There will also be a 'pot' of additional PCSO who can be deployed to cover vacancies, sickness and work in high priority areas. These changes will come into effect at the beginning of the next financial year. Cllr J Critchley thanked Superintendent Crowcroft and he left the meeting. |

The following recommendations were discussed: R1 That the Council brands itself as "The Gateway to the Sandstone Ridge" (or similar) and use the Sandstone Ridge logo on the Council website and other communications – proposed and seconded by Cllrs Oulton and Sutton. Cllr Oulton explained that the Sandstone Ridge Trust are keen for local parishes along the route to link more closely and promote the route. He suggested a strap line could be added the boundary signs – TC to get quotations and report to Environment committee. There could also be information added to the website. R1 was agreed . R2 That the Council adopts the revised Commemorative Tree Policy – proposed and seconded by Cllrs Oulton and Sutton. It was agreed that the matter needed further consideration and it was referred back to Environment Committee. R3 To level and turf the area of the former Children's Garden in Ship Street to create a manageable grassed area and reduce the cost of ongoing maintenance at a cost of £385 plus VAT – proposed and seconded by Cllrs Martin and Sutton. | 115 | <p>CWAC Visit</p> <p>Cllr Poulton gave feedback from the visit by CWAC Streetscene Officer, Mark Brazil. He was disappointed that so few Cllrs had be able to make the meeting, but he and Cllr J Critchley had toured all 4 wards with Mr Brazil. This visit had followed the visit by CWAC Cllr Shore. There have been results from the queries raised and TC will circulate the email from Mr Brazil outlining these. Cllr Poulton suggested that FTC could be a conduit for complaints, especially for older people and those with limited IT, ensuring that they get to the right place. TC will look at adding a link to the CWAC Report It page to FTC's website.</p> | | | | | | | | | | | | | | | | | | |

| 117 | <p>Schedule of Council meetings</p> <p>Cllr J Critchley had suggested six months ago that all meetings, council and committees, should be every other month. It was agreed at the time that committees should continue to meet monthly whilst council went to alternate months. This has caused some difficulties and made more work for the office in preparation for the bi-monthly council meeting. It was agreed that a formal proposal should be presented to the next meeting.</p> | | | | | | | | | | | | | | | | | | |
