Handihoop Bag Opener

Designed to fit any standard bin bag, this is the most popular Handihoop Bag Opener.

The simple and lightweight hoop easy to use, comfy to carry, robust and just makes any type of litter collection so much easier. Whether a volunteer, street cleansing operative, janitorial, school, landscaper, a bin bag is never going to stay open by itself.

Reusable, lightweight and productive - litterpicking has never been easier.

Helping Hand Product Code: **LP0011**

Key features:

35cm (14") aperture

Foam handle to guarantee secure grip

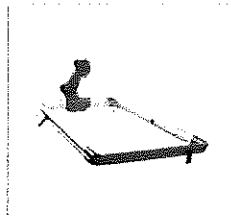

Fits any standard bin bag for an easy to use solution when litterpicking
