<b>11</b>	<b>New Year's Eve Fireworks</b>
11.1	Following the problems experienced last year it was agreed that the fireworks should be set off in an area away from the audience. As it is the same site used by the Firework Company at the Christmas Festival it was <b>agreed</b> to ask them to provide the New Year's Eve Display too – proposed and seconded by Cllrs J Critchley and M Parker. TC will contact the company and ask for quieter fireworks. TC will also contact Frodsham Life about an article explaining the changes. Cllr Pennington suggested contacting the Sea Cadets as they also do a display on New Year's Eve in that area – TC to follow this up.
11.2	There is no need for a site visit with the Firework company as they have experience of the site already.
11.3	There is no need for marshals as residents will be able to view the fireworks, as it is an aerial display, from sites across town including Churchfields, Saltworks, Frodsham Hill and the Community Centre. Glow sticks will be provided as usual at Churchfields.
<b>12</b>	<b>Festival of Walks</b> The next meeting of the Working Group is on Thursday 12 October. This is another long running working group involving many residents. Cllr Poulton thanked Cllr Ashton and the Admin Officer and the group for making last year such a great success.
