

Festival of Walks Working Group

Notes of Meeting 4

Date & Time: 13 December 2018, 9:30am Venue: Castle Park, Frodsham

Present: Caroline Ashton, Liz Kenny (part), Tony Hinkins, Sue Kellett, Peter Webley, Kath Gee

1 Walks Programme

- a) **Draft Programme** Liz took the group through the updated programme.
- b) **Peel Energy** Caroline to arrange date with Peel. This may include access to towers. We may need to book "slots", which could be done via Eventbrite.
- c) **Runcorn Meandering Mysteries** The pamphlet route had proved disappointing on the ground. Liz to contact Paula re a more interesting route.
- d) **Alan Gerrard** Frodsham Hill Challenge preferred.
- e) **Tuesday Health Walk** Now provided by the West Cheshire Walking Group (Scheme Coordinator: Lesley Mitchell)

2 Family Treasure Trail

Now thought to be enough "meat" in Castle Park alone. Route directions drafted and being tested. Questions now being worked up for testing. Trail HQ now Gallery 2 at CPAC. Team now more confident and envisage testing by the Alvanley leaders and Pat/Margaret. "Young teacher/mother" customer representative now welcome but less critical. Tony to draft Walk Submission Form.

Tree Trail labels are central to the whole event. Tom Blundell specified the job in detail ages ago. Andy James (CWAC) is responsible. Kath, Caroline and Tony to do whatever they can to make it happen well before Sunday 28th April 2019

3 Walks Submission Form

Suggestions:

- "Approx duration"
- "Short description (for inclusion in leaflet) *Aim for around 50 words*"

4 Risk Assessment Form

Process agreed:

- Leaders to be asked to tick/highlight the hazards that apply to their walks and tell us about any new ones.
- Team to add the new ones and remove any that do not apply in 2019

5 Walks Leaflet

Liz plans to get the Walks Submission Forms out now and request their return before the next meeting. These will then form the basis for the draft leaflet.

6 Next Meetings

Thursdays 10 January and 24 January at 9.30am at Castle Park House.
