

Frodsham Neighbourhood Plan Steering Group Meeting

Tuesday 26th June 2018 at 1.30pm Castle Park House

Attendees:

Peter Vickery, Resident

Martin Maris, Resident

Andrew Rowe, Resident

Lynn Carmody, Resident

Chris Burrows, Resident

Gill Hesketh, Support and Admin, Resident

Apologies: Caroline Ashton, Alan Oulton, Liam Jones, Steve Carmody, Mark Warren

The minutes of the last meeting were accepted. All actions were complete.

Festival in the Park

The arrangements for this event were finalised. It was agreed that views should be sought on the contents of the four draft policy headings.

Note: the stand at this event was subsequently cancelled, not enough volunteers were available to provide adequate cover.

Site Assessments

The initial results of the AECOM consultant's visit were discussed. The group felt the process was very helpful, and first indications are that Frodsham's housing needs can be met without recourse to any green belt development. The consultant had some queries, which will be answered (see actions below).

Review of Policy draft

No new drafts of policies were available.

AOB

The steering group have been asked to comment on the proposal from CWAC to demolish the goods shed on the station car park. This was discussed and the consensus was that individuals could comment, but the group were not in a position to do so.

July's twitter schedule was discussed , any additions and suggestions to MM.

The meeting closed at 3.00pm.
