103	Councillors' Reports
103.a	Reports from councillors who have attended meetings of external bodies: <u>Police & Crime Commissioner's Parish Liaison</u> meeting attended by Cllr J Critchley – There is a shortfall in funding for Police. There have been large savings in office costs. The issues with the 101 service and travellers were discussed. Frodsham Police Station has been sold. Several Cllrs asked if any of this funding could be used to provide CCTV in Frodsham. Previous attempts to set up a Working Group with the Police and CWAC had failed but it was agreed we should try again. Cllr T Reynolds suggested asking a local contractor for advice about CCTV and collecting evidence to support the case for CCTV. CWAC Officer Mrs V Griffiths was invited to join in the discussion as she was responsible for CCTV. She reported that the business case for CCTV had already been proved and the costings revised in the summer of 2018. This would involve the installation of pan, tilt and zoom cameras at the junction of Church Street and Main/High Street. The cameras would be monitored at the Chester Centre on a rolling basis. Revenue costs would be approximately £7,000 per annum. Cllr L Jones and Lord F Pennington proposed a meeting with CWAC and the Police to take the initiative forward. Cllr Reynolds withdrew his proposal.
100 Cont.	Car Parking CWAC Officer Mrs V Griffiths gave an update on the goods Shed. The planning application for demolition has been suspended to allow time for the local businessman to develop his plans. No time limit has been set. At the same time CWAC have started looking at a decked car park, which had been included in the original Strategy as a medium term proposal. No firm decisions have been made as yet. The Traffic Control Orders relating to the time limited parking on Main Street were advertised and letters sent to residents and there were no objections. There was only one objection to the charges for off-street parking. The Improvement Plans for Station Car Park are under development. Discussion are on-going with the Leisure Centre and Health Centre around parking on that site. Work will probably start in February/March next year.
103.a cont.	<u>Cycle North Cheshire Group</u> attended by Cllr P Martin. TC will circulate the written report and he will circulate other information as it becomes available. The group is very active and its activities include: Sustrans specifically regarding the Helsby to Wrexham cycle route.
