32	Minutes of the Meeting held on 30 July 2018 The minutes were agreed and signed as a true record, proposed and seconded by Cllrs Lord F Pennington and A Wordsworth.		
33	Opportunity for Public to Speak – No members of the public were present.		
34	Complaint from resident The Admin Officer informed the Committee that a second complaint had been received since the agenda had been prepared. Both were from local residents who felt that the Planning Committee did not give adequate consideration to application 18/02625/FUL at their last meeting. It was agreed that the Admin Officer should write to the complainants to advise them that the reason the Committee had not object to the proposed development was that the application appeared to be an improvement on a previously approved design, providing greater separation from the adjoining property and having a smaller footprint. All Committee agendas are placed on the Town Council's public noticeboards and social media channels. The Committee always welcomes residents to come and talk to them as individual councillors or to the Committee as a whole.
