

Winter Gritting Scheme

Background

The scheme has been running since 2011-12 and is aimed at getting volunteers to grit public highways and footpaths that are not gritted by Cheshire West & Chester Council. As recent winter's have been quite mild the number of volunteers on the list has fallen from 65 in 2013-14 to 32 in 2017-18.

If the scheme is to continue we would need to:

- Liaise with CWAC about where they will grit – see map of gritting route & list of sites of gritting bins.
- Review the guidelines for the scheme
- Carry out a recruitment Campaign especially in the streets that are not gritted by CWAC
- Replenish stocks of grit

Cost

Costs would vary depending on the number of locations, bags delivered and number of deliveries:

| | | | | |
|-------------------------------|---|-------------|--------|---------------|
| No of locations (approx) | | 20 | 40 | 60 |
| | | | | |
| No of 20 kg bags @ £4.50 | 4 | £360 | £720 | £1,080 |
| | 6 | £540 | £1,080 | £1,620 |
| | | | | |
| Delivery @ £70 | 1 | 70 | 70 | 70 |
| | | | | |
| Cost of 1 delivery of 4 bags | | £430 | £790 | £1,150 |
| | | | | |
| Cost of 3 deliveries x 2 bags | | £750 | £1,290 | £1,830 |

Cost of making 1 delivery of 4 bags to 20 location would be £430+VAT.

Cost of making 3 deliveries of 2 bags to 60 locations would be £1830+VAT.

Most of the volunteers didn't want large deliveries so likely that more than 1 delivery would be needed.
