Reference	Address	Description
21/00422/FUL	2 Lansdowne, Frodsham	Two storey extension to rear and re-tiling of existing roof
21/00758/TPO	11 Howey Rise, Frodsham	1 x Large mature Oak - Crown reduce to previous points. 1 x Smaller Oak directly below above tree - Crown reduce by 20%.
21/00720/CAT	Glebe Cottage, Church Road, Frodsham	Remove 1 Pine/Fir tree, that is close to the property and starting to lean towards the house. The tree is stunting the growth of a cherry tree beneath it and concerned it could fall onto the house. It is also causing excessive shading and removal would allow the cherry tree to grow properly.
21/00760/CAT	52 High Street, Frodsham	Crown of the Lime tree (T1) reduced in height (crown reduction) and branches thinned out to allow more light and more air into this and other trees nearby. The Lime tree has grown to approx 40ft and is on higher ground at the rear of the garden. The tree does not allow much light to get through to the garden especially in the summer. Branches overhang neighbouring properties and the sticky residue lands on the cars next door. Some branches appear dead and some are growing into the trees nearby. There are other holly trees along the boundary wall (T 2 and T3) and the garden has a number of other trees.
21/00483/FUL	8 Brookside Road, Frodsham	First floor rear extension
