Completion statement

Please give brief detail of the project and explain how the grant has helped you to complete it:

Internet access, via BT Mobile Hub was set up and is now being used on a weekly basis by the Foodbank (who Frodsham District Guides let use the building on a Friday afternoon), now that guiding has returned to inside in person, it can be utilised by leaders to Zoom in girls who are not able to attend if they have been asked to isolate, and the District and Division meetings have been held with some people in person and others via Zoom. It has meant that, for Girlguiding in Frodsham, we have been able to engage with all of our members on a regular basis.

The activity folders, prepared for both Frodsham Brownie units – A4 folders, with plastic pockets, each containing an activity sheet and required materials for unit meetings (that were again held over Zoom) during Spring and Summer terms of 2020, were a great hit. It meant that unit meetings (albeit over the internet) proved very popular, with up to 15 girls logging on to each meeting and carrying out the activity from their homes. Both units, despite not meeting in person, actually increased in numbers during this period, as the girls shared what fun and learning they were having at Brownies. Thursday Brownies completed the Cheshire Forest Challenge Badge (Pack Your Guiding Bags for an Adventure) during the summer term.

Both the folders and the internet – which is still being utilised moving forward – has enabled guiding to continue in Frodsham during the pandemic

Please send photographs of your project, if you have any. These might be used in our Annual Report to show residents how the money was spent.
