Re – Electrical Work - Frodsham Christmas Lighting 2021

Dear Madam,

Thank you for your enquiry with KDE Ltd recently. We are pleased to offer you the below quotation following our recent discussion.

To visit the above address and carry out the following works:

Check, test and relamp festoon Christmas lighting and associated candy cane up and overs to X mas lighting on Main Street, Church Street and High Street.

NB. Lamps supplied by client.

Replace 10No defective time clocks to cut outs at base of feeder columns.

Isolate, disconnect and remove damaged section of festoon lighting between Lusso and Pauls barbers on Main Street and Nationwide Building Society and Travel lab on Church Street.

Isolate, disconnect and remove isolation cut out at bottom of feeder column outside Turners funeral directors. Supply and install 2no 10amp rcbos in order to apply isolation of tree lighting and festoon separately.

Isolate all decorative tree lighting for repair/replacement by others. Return to reconnect supplies when this work has been carried out.

Test and leave in working order.

NB. All works to be carried out out of hours.

NICEIC certificate to be issued upon completion.

The above work to include labour and materials would be £3,195.00 + VAT (Three Thousand, One Hundred and Ninety Five Pounds).

This quotation is that of a NICEIC approved contractor and should not be compared to a quotation from a non-approved contractor.

All work carried out in accordance with the current 18th Edition of Institution of Engineering and Technology Regulations.

NB. Quotation Price valid for a period of 30 days.

We trust that we have interpreted your requirements correctly. If you require any additional information, please do not hesitate to contact our Helpdesk team.
