4. Minutes of the meeting held on 19th December 2022

To accept and sign the minutes as a true and accurate record of the meeting.

RESOLVED: The minutes were signed as a true and accurate record of the meeting.

Standing orders were suspended to allow a report from Jack Higginbotham, Account Manager, Prism IT.

5. Prism IT

(a) To receive a report from Prism following security breach of the Town Clerk's email.

NOTED: The security breach was caused by a "brute force attack". Malware was installed forwarding specific emails to a little used folder on the system. There was little in place, at the time, to prevent this occurrence. Had this not been discovered then a route could have been found to install more malware. The resolution is to improve security to the Outlook mail application using Proofpoint and multifactor authentication. This will require all members of FTC to use Outlook to send and receive council emails using their councillor@frodsham.gov.uk email addresses.

(b) To consider installing additional security/anti hacking software.

RESOLVED: It was unanimously agreed to install the software recommended by Prism to all councillor@frodsham.gov.uk email addresses which must be accessed using Outlook. All councillors will be provided with the software to facilitate this. All councillors and members of staff will be required to book time with Prism support to set up the system.

APPENDIX 1 ITEM 7 – FINANCE PROCEDURE UPDATE

This report is provided following the brute force attack of the Town Clerk's email in June 2022. A brute force attack uses trial-and-error to guess login info, encryption keys, or find a hidden web page. Hackers work through all possible combinations hoping to guess correctly.

These attacks are done by 'brute force' meaning they use excessive forceful attempts to try and 'force' their way into account(s).

1. Co-operative Bank have increased their security on payments and each payment must be authorized individually giving the user multiple opportunities to verify each payment.
2. The Co-operative Bank verify the sort code and account number of the receiving organisation.
3. FTC has requested dual authority on the existing account to ensure that a council employee sets up a payment which is subsequently authorized by a named signatory to the account. The Co-Operative Bank will supply fobs to enable transactions to be authorized. In the event of the Clerk being unable to access the accounts another member of staff will be able to access the accounts to set up payments.

-
4. Every invoice is recorded on a spreadsheet and given a unique reference number.
 5. All new payees account details are verified via a phone call to a trusted number. The details are recorded.
 6. All existing payees who request changes to their sort code and account number are verified via a phone call to a trusted number. The details are recorded.
 7. The Town Clerk has contacted the IT service provider to request further security on FTC email accounts to prevent a further brute force attack. A quote has been provided.
 8. The Town Clerk has completed the following relevant training:
 - FILCA (SLCC) 16/12/22
 - Introduction to cyber security (University of York) 15/12/22
 - Budget overview (DCK Accountants) 19/01/23
 - Internal controls (ChALC) 16/02/23
 9. The Town Clerk will be attending the following relevant training:
 - Managing your cyber security (SLCC) 03/03/23
 - Quotes, Tenders & Contract Management (SLCC) 6th, 13th & 20th July 2023
 10. The Administration Officer will be completing ILCA and FILCA by the end of December 2023.
