

Cheshire West & Chester Council

From 15 December 2023, changes are being made at the Frodsham Household Waste Recycling Centre

These changes are necessary to continue to offer a safe site and service. Vehicles are no longer allowed to reverse at the site for public safety.

We have reduced the range of waste types we can accept and limited the size of vehicles to avoid congestion and excessive unloading times.

These waste types **can** be accepted at this site.

- Non-recyclable domestic waste
- Cans / tins
- Cardboard
- Chipboard and wood
- Electricals (small and large domestic appliances)
- Garden waste
- Metal
- Textiles

These waste types are **no longer accepted** at this site, they can be taken to our sites in Chester, Winsford or Ellesmere Port

- Rubble and soil (including tiles, bricks, concrete, ceramic units)

To find out what you can recycle at the kerbside visit: [cheshirewestandchester.gov.uk/what-goes-in-my-bin](https://www.cheshirewestandchester.gov.uk/what-goes-in-my-bin)

Cheshire West and Chester

Due to operating restrictions, Frodsham HWRC cannot allow **commercial vehicles, vans, pickups or trailers of any size**. For these vehicles please use our sites at Chester, Winsford and Ellesmere Port HWRCs.

Winsford, Chester and Ellesmere Port Household Waste Recycling Centres are **open 7 days a week:**

- 8am to 8pm April to September and
- 8am to 4pm October to March.
(Closed 25/26 December and 1 January).
