Centre News

School summer holidays have come and gone and the Centre quietened down a little as some of our groups took a break for the summer.

During this quieter period we took the opportunity to refurbish the Committee rooms and the General Purpose room downstairs with new floor coverings and a good deal of repainting.

The popular Frodsham Downhill Run returned on the 7th July as the opening to our local Rotary group's Festival in Park. The first home in Castle Park this year in a time of 5 Mins 37 Secs was Mike Fryer

Shown here receiving his winning trophy from our MP Mike Amesbury.

The Rotary Cheshire Motor Show 2024

On Sunday 28th July over 1,000 visitors enjoyed the day in glorious weather to help us raise much needed funds for local & national charities including Claire House Hospice.

We had over 250 exhibitors of classic cars and many other wonderful vehicles. The overall winner in the classic car competition was a delightful Jaguar XK150 Hardtop Coupe.

There were plenty of stalls and kiddies entertainments. Refreshments were provided by the popular Rotary BBQ, and stalls selling ice cream and delicious home made cakes.

Indoors we had music by local musicians and groups and the Centre Bar was open with alcoholic and non alcoholic beers and lagers for those who wanted it.
