Please refer to the Cheshire Police website for full breakdown of crime statistics for your area.

Upcoming Surgery Dates -

Thursday 23rd March 3pm – 4pm

Tuesday 12th May 5pm – 6pm

All Police Surgeries are currently held at Frodsham Community Police Base, Ship Street.

Road Safety/Speed Engagement -

- Smiley S.I.D has been deployed on Bridge Lane recently.
- The Community Speed Watch Group are up and running again and have been on Main Street recently and are looking to go out on Fluin Lane, Manley Road, Church Street and Kingsley Road

I attend locations based on community feedback. Please feedback areas of concern.

We are very low on numbers for Frodsham Community Speed Watch. If anybody is interested in joining the Community Speed Watch Group, please email me

neil.flanagan@cheshire.police.uk to arrange some training.

Other News -

On Monday 2nd February I was the guest chef at the Men's Meet and Eat Group at Frodsham Community Centre. We had a great time cooking and eating Spaghetti Bolognese. The food must have been ok as I have been asked back in September to try out a Chilli with the group!

I continue to work closely with Jayne Turner the Weaver Vale Housing Officer. We had an evening walkabout on Friday 13th March which saw us do some joint visits to Weaver Vale tenants as well as visiting Frodsham Youth Club.

I continue to work closely with Frodsham Youth Club. I attend on a Wednesday/Friday night at youth club when shifts allow and speak to the young people about what is happening in the area.

Myself and Nic from Frodsham Youth Club are continuing to do a month drop in of a lunchtime at Helsby High School to engage with students and members of staff. This has proved to be very effective.

I am continually made aware of Parking issues especially outside of Frodsham Manor House Primary School, Langdale Way. The main issue being cars parked on the junction of Grasmere Road on the pavement. I was wondering if we could look at placing a couple of Frodsham Town Council planters at the location to prevent this from being an issue in the future?

I will be delivering Road Safety training to pupils in Years 3 and 4 at Frodsham Primary Academy on Monday 20th April. This is an excellent way to engage with the children whilst teaching them how to cross the road safely.

We will be holding a Free bike marking session at Castle Park car park on Sunday 19th April between 12pm and 1pm for anyone with a new or old bike.

Don't forget, anyone interested in volunteering for Frodsham Community Speed Watch can email me neil.flanagan@cheshire.police.uk We currently only have a few volunteers trained up in relation to Community Speed Watch and would love to have more on board.

Residents Voice - It is important to us

that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area.

Please complete the survey by following this link - [Resident's voice | Cheshire Constabulary](#)

A blue poster for the 'Resident's Voice' survey. At the top left, there is a green speech bubble with the words 'Resident's VOICE' written in white. To the right of the speech bubble is a faint, large watermark of the Cheshire Constabulary crest. Below the speech bubble, the text 'Have your say on policing in your area...' is written in yellow. Underneath that, a paragraph in white text explains the survey's purpose. A QR code is located in the bottom left corner, with instructions on how to scan it and a URL provided for those who cannot scan it.

**Resident's
VOICE**

**Have your say on
policing in your area...**

It is important to us that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area.

Open the camera or a dedicated QR code reading application on your phone and hover over the QR code to scan it.

You will be taken to a page where you can complete the survey.

If you can't scan the code you can go to www.cheshire.police.uk/residentsvoicechester

Chester North Rural Police

As part of our ongoing work to deter people from committing crime in Cheshire, we have invested in forensic property marking kits to identify those responsible for theft. The work we are doing in this area of prevention is branded Operation Shield. Neighbourhood Policing Teams are visiting households and businesses to introduce forensic property marking. They are offering householders and business owners free kits which are made by a UK company called Selectamark Security Systems plc. Their product is called SelectaDNA.

What is SelectaDNA? It is a cutting-edge way of protecting your property from theft. Each bottle within the kit contains a unique DNA code and thousands of tiny microdots that, once applied, identify it as yours.

Please remain vigilant and report any crime/suspicious activity via 101 or via Cheshire Police website - www.cheshire.police.uk 999 in an emergency
