

Amenities & Planning Committee Meeting

8th June 2026

Meeting pack

Contents

Agenda

- Item 7 Minutes from the meeting held 11th May 2026
- Item 8a Planning applications (responded)
- Item 11 RoSPA report
- Item 13 Giant Hogweed report
- Item 14 Active Travel noticeboards

The following councillors are summoned to attend the Amenities and Planning Committee Meeting to be held on 8th June 2026 at Castle Park Arts Centre at 7pm

Members: Cllrs J Critchley, D Critchley, Drapeur, Hayes, Holman, Hook, Lofts, Lowrie, Neild, Wade and Wood

Members of the press and public are welcome to attend. The meeting will be audio recorded.

Signed: *Jo O'Donoghue (FSLCC)* Town Clerk

Dated: 02/06/2026

Meeting 1

1. To appoint a Chair of the Committee
2. To appoint a Vice Chair of the Committee
3. **Apologies and reasons for absence**

To receive apologies and approve reasons for absence from members.

4. **Declarations of interest**

To note any declarations of interest on items which are on the agenda.

5. **Suspending Standing Orders**

To note Standing Orders require that any suspension be approved by resolution of the meeting, in accordance with Standing Orders 1(r)(ix) and 25(a). This process will apply to all items other than agenda item 4.

6. **Public participation**

Members of the public are invited to speak on items which are on the agenda in accordance with FTC policy on public speaking at meetings: <https://frodsham.gov.uk/wp-content/uploads/2023/10/Publicspeaking-at-meetings-2023.pdf>

7. **Approval of minutes**

To approve the minutes from the Amenities & Planning Committee Meeting held 18/05/2026.

8. **Planning**

- a) To note the applications which have been commented on between meetings (details within meeting pack).
- b) To note the following planning applications and agree response to Cheshire West and Chester Council:

Application	Address	Description
26/01535/CAT	55 High Street, Frodsham, WA6 7AN	Oak - removal
26/01432/FUL	Cromwell Court, Tarvin Road, Frodsham, WA6 6XN	Demolition of existing shed. Erection of single storey outbuilding
26/01525/FUL	3 Church Street, Frodsham, WA6 7DN	Installation of defibrillator and bleed kit cabinets to external wall of Nationwide Building Society branch
26/01534/FUL	20 Maori Drive, Frodsham, WA6 7BS	Demolition of existing conservatory and outbuilding and erection of a single storey side and rear extension

9. **Planning Appeal - Consultee Notification of a Planning Appeal**

- a) **Site Address:** 46 Thirlmere Close, Frodsham, WA6 7LZ

Description of development: Demolition of existing store, single storey side extension and pitched roof to front porch. First floor extension with front and rear dormers, and a rise in roof height. Application of render to ground floor.

Planning or Enforcement ref: 26/00267/FUL

Planning Inspector ref: 6010251

Appeal reference: 26/00057/REF

Appeal start date: 28 May 2026

- b) FTC objected to this planning appeal at their Amenities & Planning Committee meeting on 9th March 2026 as follows: RELEVANT POLICIES: R1; M4; DM11; DM44: It does not appear to comply with a number of provisions in Supplementary Planning Document: House Extensions and Domestic Outbuildings. We also draw your attention to the concerns raised by an adjacent neighbour.
- c) To note that as this appeal is proceeding under the Householder Appeals Service, there is no opportunity for you to submit comments. CWAC have forwarded all the representations made on the application to the Planning Inspectorate and the appellant. These will be considered by the Inspector when determining the appeal.

10. Christmas lights (Church Street)

To note that the scheduled replacement works have been carried out.

11. RoSPA Report

- a) To note the report provided by the Town Clerk (full reports are available on request).
- b) To approve the recommendations contained within the report (report in meeting pack).

12. Replacement benches

To approve the quotation provided by Northwich Town Council for replacement benches at Crowmere Lake and Churchfields in the sum of £1,057 per bench to include disposal of existing benches and installation of the new benches.

13. Giant Hogweed (memorial site)

- a) To note the report provided by the Town Clerk (report in meeting pack).
- b) To note that Cllr Lofts (Chair 2025-2026) authorised the survey and management report.

14. Active Travel

To note the locations of the noticeboards as discussed at the meeting held on 11th May 2026 (minute reference A&P/11/05/2026/10).

15. Close of meeting

Minutes from the meeting of the Amenities and Planning Committee Meeting held on 11th May 2026 at Castle Park Arts Centre at 7pm

Attended by: Cllr D Critchley, Cllr J Critchley, Cllr A Holman, Cllr J Hook, Cllr R Lofts (Chair), Cllr P Lowrie, Cllr B Wade, Cllr G Wood & J O'Donoghue (Town Clerk)

1. Apologies and reasons for absence

To receive apologies and approve reasons for absence from members.

RESOLVED: Apologies were received and accepted from Cllrs R Drapeur (work commitments), H Hayes (personal), M Nield (personal), B Wade (personal)

2. Declarations of interest

To note any declarations of interest on items which are on the agenda.

NOTED: There were no declarations of interest.

3. Suspending Standing Orders

To note Standing Orders require that any suspension be approved by resolution of the meeting, in accordance with Standing Orders 1(r)(ix) and 25(a). This process will apply to all items other than agenda item 4.

NOTED

4. Public participation

Members of the public are invited to speak on items which are on the agenda in accordance with FTC policy on public speaking at meetings: <https://frodsham.gov.uk/wp-content/uploads/2023/10/Publicspeaking-at-meetings-2023.pdf>

NOTED: No member of the public attended the meeting.

5. Approval of minutes

To approve the minutes from the Amenities & Planning Committee Meeting held 13th April 2026.

RESOLVED: The minutes were unanimously approved.

6. Actions from the meeting held on 13th April 2026

- a) To receive a verbal update from Councillor Wood regarding traffic and activity issues on Langdale Way and Grasmere Road, arising from school drop-off and pick-up at Manor House School.

NOTED: Cllr Wood provided a report following research into the options.

- b) To agree action to be taken.

RESOLVED: The Clerk agreed to review the current budget to identify where the costs could be allocated (approximately £200 per item), approach Manor House School to ascertain their approval of a parking scheme involving the children, contact Will to Work to determine whether they would be able to assist with the scheme, and approach PCSO Neil Flanagan for his support.

ACTION: JO

7. Planning

- a) To note the report from Cllr J Critchley and agree response to Cheshire West and Chester Council.

NOTED

- b) To note the following planning applications and agree response to Cheshire West and Chester Council:

Application #	Address	Details	Comments
26/01126/LBC	47-49 Main Street, Frodsham, WA6 7DF	Create a new doorway at ground floor level between number 47 and number 49 Main Street. The new doorway will be created within the rear of the building, within a modern extension.	RELEVANT POLICIES: DM46, ENV9, R1, M4, DM11, DM44 NO OBJECTION subject to the agreement of the Conservation Officer
26/01095/FUL	Congar, Middle Walk, Bellemonte Road, Frodsham, WA6 6BW	Erection of porch to front, dormers to rear and the application of render to dwelling.	RELEVANT POLICIES: R1, M4, DM11, DM44 NO OBJECTION subject to it meeting the provisions of Supplementary Planning Document: House Extensions and Domestic Outbuildings.
26/01282/PIP	Land At Dobers Lane, Frodsham	Erection of 1 dwelling	RELEVANT POLICIES: STRAT 9 (Green Belt and Countryside), M4, DM11, DM17, GBC2 Area of Special Country Value – Helsby and Frodsham Hills; DM51, DM44 OBJECTION: The land is in the Green Belt and in an Area of Special Country Value - Helsby and Frodsham Hills. It is outside of the settlement boundary; there are no pavements or streetlights and no public transport routes. There is no evidence to support this land being redesignated as grey belt. A similar Application - 25/01937/PIP Blossom Hill Stables, Mill Lane Kingsley was refused on 6 February 2026 and the reasons for refusal are fully consistent with the grounds for refusal for this application, and further it negatively impacts GBC2 – ASCV Helsby and Frodsham Hills . “The proposal amounts to the construction of a dwelling in the countryside outside of an identified settlement. They have not been proven to require a countryside location and would be in a location where there would be a significant reliance on the use of private motor vehicles for the majority of day-to-day access to employment, shops, community facilities, schools and services. The proposal therefore represents an unsustainable form of development which would be contrary to the provisions of policies STRAT 1, STRAT 2 and STRAT 9 of the Cheshire West and Chester Local Plan (Part One), Policies DM 19 and R 1 of the Cheshire West and Chester Local Plan (Part Two) and the National Planning Policy Framework.

			The proposed development amounts to inappropriate development in the Green Belt which, by definition, is harmful to the Green Belt. It is considered that no very special circumstances exist in this instance which could clearly outweigh the harm to the Green Belt by reason of inappropriateness. The proposal is therefore considered contrary to the provisions of Policy STRAT 9 of the Cheshire West and Chester Council Local Plan (Part One), Policy DM 19 of the Cheshire West and Chester Local Plan (Part Two) and the National Planning Policy Framework.”
26/01153/FUL	Frodsham Medical Practice, 50 High Street, Frodsham, WA6 7HE	Change of use from doctor's surgery (formerly Use Class D1) to residential dwelling, construction of garage, summerhouse and shed. Renewal of Approval no. 22/04710/FUL.	RELEVANT POLICIES: DM46, R1, M4, DM11, DM44 NO OBJECTION subject to the agreement of the Conservation Officer
26/01163/LBC	The Bears Paw Hotel, 127 Main Street, Frodsham, WA6 7AF	Installation of replacement signs to include, 1x new pictorial and header to the existing decorative bracket, 1x set of individual house name letters, 1x double sided corex holder to existing posts, 3x floodlights, 1x door plaque, 3x car park signs, 12x internally applied window graphics	RELEVANT POLICIES: DM46, ENV9, R1, M4, DM11, DM44 NO OBJECTION in principle, subject to the agreement of the Conservation Officer, however the plain white modern lettering does not seem an appropriate replacement for the current gold style lettering on the sandstone frontage.
26/01135/FUL	89 Waterside Drive, Frodsham, WA6 7NF	Erection of a single-storey detached building for use as a gym/workshop.	RELEVANT POLICIES: DM46, ENV9, R1, M4, DM11, DM44 NO OBJECTION, however, many of the houses built alongside this railway embankment are subject to significant water run-off from the embankment. The case officer should be satisfied that suitable drainage is in place before construction commences.

8. Christmas lights (Church Street)

To note that the scheduled replacement works have been postponed due to a delay in the delivery of required materials. The manufacturer has indicated an estimated delay of approximately 3–4 weeks (as at 20/04/2026), with no confirmed delivery date at present. A revised installation date will be arranged and communicated once delivery has been confirmed.

NOTED

9. Hob Hey Wood

To consider whether to make an approach to the landowner regarding a parcel of land, Title Number: CH576470, address: Land on the East Side of Townfield Lane, Frodsham. Members are asked to note that there is currently no allocated budget for the purchase of land, and any approach would be exploratory in nature.

NOTED: Cllr Lofts provided an additional report from Cllr Hayes: The Hob Hey Wood Friends Group has completed two Land Registry searches on the fields adjacent to the public footpath/bridleway leading into the wood from Townfield Lane and found that both fields are owned by private individuals living a considerable distance from Frodsham; the Group therefore wishes to contact the owners, either directly or through Frodsham Town Council, to enquire whether they may be willing to sell the green belt land, as the Group is keen to protect the ancient woodland and surrounding area and believes that purchasing the fields would support this aim. The Group is prepared to secure funding for the purchase, if affordable, with the intention of ultimately gifting the land to the Town Council, and, should the purchase be successful, would continue maintaining the woodland, plant native species to integrate both fields, and seek provision of a secure area or building to store equipment used in maintaining the wood.

RESOLVED: It was unanimously agreed that the Clerk will make further enquires in conjunction with Mark O'Sullivan (Hob Hey Wood Friends Group).

ACTION: JO

10. Active Travel

To receive any update from Cllr Holman.

NOTED: Cllr Holman provided a verbal update, and it was noted that the cycling maps had been distributed; however, there was no further update regarding the e-bike scheme. Plans are in place to update the noticeboards currently managed by the Frodsham History Society with the "Discover Frodsham" information, and Pam Bradley, Communities and Engagement Senior Manager, will be asked to confirm Cheshire West and Chester Council's agreement to this proposal. Some uncertainty remained regarding which noticeboards were to be allocated, and it was agreed that Cllr Holman would clarify this matter; until such clarification is received, no further action will be taken. The matter was therefore deferred for further discussion at the next Amenities & Planning Committee meeting. Discussion took place regarding the introduction of a 20mph zone on Church Street, which would require the support of Full Council, and it was agreed that this item be placed on a future Full Council agenda due to the associated cost implications (approximately £1,000).

ACTION: AH

11. Close of meeting

The meeting closed at 7.34pm.

APPLICATIONS WHICH HAVE BEEN RESPONDED TO BETWEEN MEETINGS

REFERENCE	ADDRESS	APPLICATION	FTC COMMENTS
26/01240/FUL	9 Springbourne, Frodsham, WA6 6QD	Single storey rear extension, alterations to garage, installation of log burner flue, alterations to rear windows	RELEVANT POLICIES: R1, M4, DM11 NO OBJECTION subject to it meeting the provisions of Supplementary Planning Document: House Extensions and Domestic Outbuildings and taking account of two earlier planning applications (4/00/09866 and 08-2134-FUL) However, concern that two bedrooms are to be converted to dressing rooms with doorways blocked up impacting emergency escape routes via the stairs.
26/01263/FUL	7 Buttermere Close, Frodsham, WA6 7LL	Double storey side/rear extension, and single storey rear extension	RELEVANT POLICIES: R1, M4, DM11 NO OBJECTION subject to it meeting the provisions of Supplementary Planning Document: House Extensions and Domestic Outbuildings.
26/01270/FUL	25 Hazlehurst Road, Frodsham, WA6 6EX	Erection of oak frame and brick open porch to front elevation	RELEVANT POLICIES: R1, M4, DM11, DM44 NO OBJECTION
26/01412/CAT	Cedar House, High Street, Frodsham, WA6 7HE	Cherry - reduction. Malus - reduction. Variegated Holly - reduce & shape.	RELEVANT POLICIES: R1, M4, DM11, DM44, DM46 NO OBJECTION subject to the agreement of the Conservation Officer and the Tree Team
26/01310/LBC	Unit 2 Station House, Frodsham Railway Station, Church Street, Frodsham, WA6 7DJ	Installation of a wall-mounted non-illuminated fascia sign to the track-facing elevation of the Old Ticket Office.	RELEVANT POLICIES: R1, M4, DM11, DM44, DM46, T3.E NO OBJECTION subject to the agreement of the Conservation Officer

26/01095/FUL	Congar, Middle Walk, Bellemonte Road, Frodsham, WA6 6BW	Erection of porch to front, dormers to front and rear and the application of render to dwelling (amended description)	RELEVANT POLICIES: R1, M4, DM11, DM44 NO OBJECTION subject to it meeting the provisions of Supplementary Planning Document: House Extensions and Domestic Outbuildings.
26/01393/FUL	139 Ashton Drive, Frodsham, WA6 7PU	Two storey side extension.	RELEVANT POLICIES: R1, M4, DM11, DM44 NO OBJECTION in principle, but it appears it may not fully meet the provisions of Supplementary Planning Document: House Extensions and Domestic Outbuildings.
26/01482/CAT	44 High Street, Frodsham, WA6 7HE	Removal of the 18m Cedar tree that is currently the tallest tree that is crowning out neighbouring trees with the potential of further fast growth rate reaching 30m. It will be replaced by smaller native trees (Midland Hawthorn). The 7m Holly tree currently growing in the boundary hedge to be lowered to hedge height due to encroaching mature trees and to allow more light into the fruit growing area.	RELEVANT POLICIES: R1, M4, DM11, DM44, DM46 NO OBJECTION subject to the agreement of the Conservation Officer and the Tree Team

		<p>Crown lift of Oak tree 1 to remove lower growing branches that currently cross over the adjacent public footpath and neighbouring garden nearly touching their house. Crown lift of Oak tree 2 to remove lower hanging branches that currently cross over into the allotment.</p>

Report to Amenities and Planning Committee – Immediate Actions Arising from 2026 RoSPA Play Area Inspections

Purpose of Report

To advise Council of the urgent and priority maintenance and safety actions arising from the May 2026 RoSPA annual inspections of the following play areas:

- Churchfields Play Area
- Green Gates Community Park
- Park Lane Play Area
- Top Road Play Area
- Townfield Lane Play Area

The report identifies those matters requiring immediate attention due to elevated risk scores and public safety implications.

Executive Summary

The inspections identify a number of defects requiring prompt remedial action. Several items have been assigned high risk scores (8–12), indicating defects which should be prioritised for repair or temporary control measures.

The most significant concerns are:

- Corroded football goal posts at Townfield Lane (risk score 12)
- Worn swing components at Park Lane (risk score 10)
- Corroded fencing at Green Gates (risk score 10)
- Loose swing fixtures and bird fouling at Top Road (risk score 10)
- Loose rocker fixings at Churchfields (risk score 10)

There are also repeated issues across multiple sites involving:

- damaged safety surfacing,
- erosion and trip hazards,
- corrosion,
- missing caps and fittings,
- bird fouling,
- algae/slippery surfaces,
- timber decay.

Council should instruct immediate remedial works and consider temporary isolation of equipment where repairs cannot be undertaken quickly.

Priority 1 – Immediate Safety Actions (High Risk)

1. Townfield Lane Play Area

Immediate Actions Required

- Replace corroded 5-a-side football goal post (risk score 12).
- Repair damaged surfacing around goal post area.
- Replace missing swing parts and inspect swing assembly.
- Remove bird fouling from swings and trim trail equipment immediately.

- Repair damaged and eroded surfacing around embankment slides.

Recommendation

The football goal should be isolated or removed from use until replacement works are completed.

2. Park Lane Play Area**Immediate Actions Required**

- Inspect and replace worn swing bushes/shackle components (risk score 10).
- Remove projecting bolt thread from signage (risk score 8).
- Repair shrinkage gaps in surfacing around multiplay unit.
- Assess vandalism/fire damage to multiplay unit.

Recommendation

Swing equipment should receive urgent technical inspection due to wear in moving components.

3. Green Gates Community Park**Immediate Actions Required**

- Treat and repair heavily corroded fencing (risk score 10).
- Repair erosion and damaged surfacing at embankment slide.
- Eliminate trip hazards on Burma Bridge surfacing.
- Remove sharp projections and defective edges from mound/tunnel equipment.
- Reset loose musical play feature.

Recommendation

Corroded fencing should be prioritised due to potential structural failure and sharp edge hazards.

4. Top Road Play Area**Immediate Actions Required**

- Replace missing swing fixtures immediately (risk score 10).
- Remove bird fouling from swings and multiplay equipment.
- Repair holes and slippery algae-affected surfacing.
- Repair damaged safety surfacing beneath rocker units and multiplay equipment.
- Inspect and address timber decay to seating structures.

Recommendation

Given the combination of loose fixtures, slippery surfaces and fouling, this site should receive immediate maintenance attention.

5. Churchfields Play Area**Immediate Actions Required**

- Tighten loose rocker fixings (risk score 10).
- Inspect single-point swing in accordance with manufacturer dismantling instructions.
- Repair erosion and damaged surfacing at multiplay unit.
- Replace decayed timber components on multiplay equipment.

- Remove rope attached to seating.

Recommendation

The single-point swing should be prioritised for specialist inspection due to the explicit warning in the inspection report regarding potentially high risk if dismantling inspections are not undertaken.

Priority 2 – Planned Maintenance Actions

The following recurring issues should be addressed through a coordinated maintenance programme across all sites:

Surfacing Repairs

Multiple sites show:

- erosion,
- trip hazards,
- cracking,
- shrinkage gaps,
- damaged wet pour surfacing.

A borough-wide surfacing contractor programme is recommended.

Corrosion Treatment

Corrosion issues were identified on:

- fencing,
- goal posts,
- slides,
- fitness equipment,
- metal play equipment.

Council should consider:

- systematic inspection,
 - rust treatment,
 - repainting programme,
 - lifecycle replacement planning.
-

Timber Decay & Splintering

Issues identified include:

- decayed seating,
- splintering timber,
- water ingress damage.

An annual timber treatment and inspection programme is recommended.

Bird Fouling & Cleanliness

Bird fouling was specifically identified at:

- Top Road,

- Townfield Lane.

Routine cleansing inspections should be increased during spring/summer months.

Financial Implications

There will be immediate maintenance costs associated with:

- emergency repairs,
- replacement components,
- specialist inspections,
- surfacing works,
- corrosion treatment.

Further capital costs may arise where equipment replacement is more economical than repair, particularly:

- Townfield Lane football goal,
 - deteriorated seating,
 - corroded fencing.
-

Risk Implications

Failure to address the identified defects could expose the Council to:

- increased public safety risk,
- potential injury claims,
- non-compliance with inspection recommendations,
- reputational damage.

High-risk items should therefore be addressed without delay and documented within the Council's maintenance records.

Recommended Council Resolution

Council is recommended to:

1. Receive and note the RoSPA inspection findings.
2. Authorise immediate remedial works for all defects scoring 8 or above.
3. Authorise temporary isolation/removal of equipment where immediate repair is not possible.
4. Instruct officers to obtain quotations for:
 - surfacing repairs,
 - corrosion treatment,
 - replacement equipment where required.

Giant Hogweed on Council-Owned Land – Legal Position Summary

Giant Hogweed is an invasive non-native species regulated under the Wildlife and Countryside Act 1981. Under Section 14 of the Act, it is an offence to plant or otherwise cause Giant Hogweed to grow in the wild. While the legislation does not impose an absolute duty on landowners to eradicate existing plants, councils as landowners are expected to take reasonable steps to prevent spread from their land.

Where Giant Hogweed is present on publicly accessible land, the Council may also have duties under general health and safety and public liability principles because contact with the sap can cause serious skin burns and injury. Failure to manage known infestations could potentially expose the authority to complaints, civil liability, or nuisance claims, particularly where neighbouring land or public rights of way are affected.

Local authorities also have powers under the Anti-Social Behaviour, Crime and Policing Act 2014 to address invasive species problems affecting neighbouring land or public amenity.

The Council has received formal notification from Cheshire West and Chester Council regarding the presence of Giant Hogweed on land at Bellemonte Park, Frodsham, adjacent to Forest Hills Hotel. The correspondence states that a Land Registry search identified the land as being owned by Frodsham Town Council and requests that the matter be dealt with accordingly. The attached report also includes a location map and photographs of the plant infestation.

The Town Clerk contacted the contractor previously used by the Council in connection with Japanese Knotweed treatment works at Marshlands. The contractor advised that an initial site survey is required to identify the extent of any invasive plants present and to prepare a management plan and quotation for remediation works. The quoted cost for the site survey and management plan is £312.00 plus VAT, which would be deducted from subsequent treatment costs should the Council proceed with the works.

The contractor further advised that they have over 20 years' experience in identifying and remediating invasive plants, are accredited by the Property Care Association, and provide both herbicide treatment and excavation options depending on site requirements. They also offer insurance-backed guarantees and specialist advisory services within the sector.

Cllr Lofts (Chair of Amenities and Planning Committee 2025-2026) has approved the expenditure of £312.00 plus VAT for the site survey and management plan in order that the Council can assess the extent of the infestation and consider appropriate remediation measures.

Accordingly, best practice is for the Council to:

- confirm ownership and extent of the affected land;
- undertake a professional site inspection and risk assessment;
- commission an appropriate treatment and control programme;
- erect warning signage where there is public access risk; and
- monitor the site to prevent further spread onto adjoining land or watercourses.

The recommended approach is ongoing management and risk reduction rather than assuming immediate eradication is achievable within a single growing season.

Frodsham Signage Working Group

Ref: 8/06/2026/14

The map below shows the location of the signage boards (excludes board near the old library):

The working group viewed all signage in the Town centre in Feb 2024 and agreed the following information for the signs: Dimensions revised Feb 2025

Position No.	Intended purpose	Location Outside/by	Width (cm)	Depth (cm)	Ratio W/H	Changes required
2	Active travel board. Make one sided and paint the back side all black.	Old Hall	150	76	1.97	This would be a very poor great fit relative to the current A sized ratio. Suggest we realign the horizontal information panel to one side of the main image. Move the 'You are here' icon to correct position. Will need to be printed on weather-proof substrate.
4	Possible Active Travel board	Morrisons	150	76	1.97	As above but 'You are here' icon is in different position
7	Active Travel board/directions to locations.	Golden Lion /Clock	67	51	1.31	Close fit to A ratio. Would probably fit with minor adjustment. Move the 'You are here' icon to correct position. Will need to be printed on weather-proof substrate.
10	Bus shelter by Bears Paw	Bears Paw	100	61	1.70	Quite a close fit to A ratio size. Perhaps could widen slightly to leave narrow blank edges on either side. Will need to be printed on good quality paper as will be mounted in a weatherproof case. Move the 'You are here' icon to correct position.
11	Bus shelter by Queens Head	Queens Head	108	63	1.70	As No. 10.

Ref : Locations of display boards offered for AT Feb 2025
