Traffic Management Notes:

- All temporary traffic management shall be in accordance with Chapter 8 of the Traffic Signs Manual 2016, Traffic Signs Regulations and General Directions 2013 and the Safety at Street Works and Road Works, A Code of Practice, 2013;
- All temporary traffic management locations are indicative to aid clarity and are subject to approval from the on site engineer;
- All dimensions are in metres unless otherwise stated;
- All carriageway widths to be a minimum of 3.25m unless otherwise highlighted;
- This drawing has been specifically prepared to meet the requirements of the named client and may contain design or innovative features which differ from conventional design standards;
- Upon installation the TM Foreman is responsible for ensuring the design of the traffic management meets the on site requirements, Chapter 8 standards and any modifications as necessary.
